Security Personnel

- As a Professional Security Company registered with Psira we are proud to announce that all our guards are well versed in securing restricted areas, as well as maintaining a high visible presence, whilst controlling the necessary access to various areas.
- We offer our clients the option of guarding personnel with or without a K9 and also offer both genders for security positions, so that any searches where needed are within the laws of the country.
- We provide the adequate security solutions to suit our clients requirements.

K9 Division

At Izidladla Protection Services we have full time K9 trainers as well as qualified K9 handlers from D1- D5 ratings.

We offer our clients the option of guarding personnel with or without a K9, therefore covering a large section of the market.

We also offer boarding facilities and training for K9'S from general obedience heel, stay, down etc. to full attack on command as well as advanced K9 training for search, drug / explosives detection to the general public as well as for security companies.

Contact us today for all your security requirements via our website www.izidladla.co.za or email security@izidladla.co.za or call us on 069 577 1146
